

New Jersey Conservation POSTER CONTEST

2017

Prizes for
Statewide

Competition

1st Place \$200

2nd Place \$100

3rd Place \$50

The New Jersey
Conservation Poster
Contest is open to all
students in grades 2-12
and students compete
in grade categories.
Local Soil Conservation
District prizes may also
be awarded!

Contest Sponsors:

The NJ Department of Agriculture, the NJ Association of
Conservation Districts and your local Soil Conservation District

Who Can Participate ?

The Poster Contest is open to all students in grades 2-12 — public, private, home-schooled and youth groups included.

Why Participate ?

Designing a poster and researching the theme can give you a voice in your community about important conservation issues. Good posters capture people's attention and deliver stories in a way that everyone can understand. A powerful graphic can inspire people to be concerned about conservation.

Information Resources: *Healthy Soils Are Full of Life*

You will want to learn all you can about the importance of healthy soil. Productive soils are the foundation of any healthy ecosystem. As the world's population grows and demand for food production increases, it's essential that we work together to protect and enhance our soils. Providing accurate information is essential. Find out about the soil in your area and see what your community is doing to help.

You can find resources at your school or public library, science books, local newspapers, nature centers and from the NACD website www.nacdnet.org Stewardship & Education section. Get guidance from your teacher or parents to find information on the internet about soil.

The NJ
State Soil is
Downer

DID YOU KNOW.....

- ♦ It can take up to 1,000 years to form an inch of top soil.
- ♦ One tablespoon of soil has more organisms in it than people here on earth.
- ♦ Not all soil is good for growing plants.
- ♦ There are thousands of different types of soil across the world. The USA alone possesses more than 70,000 varieties of soil!
- ♦ Soil acts as a filter for underground water, filtering out pollutants.
- ♦ Soil is at the bottom of the food chain, yet it is the cornerstone of life on earth.
- ♦ Soils are made up of layers that are called horizons.
- ♦ Roots from plants and trees help hold soil in place, preventing erosion.
- ♦ Soil conservation is when you prevent soil erosion by planting new trees and plants and take steps to take care of them.
- ♦ The food you eat comes from plants and animals grown by a farmer or raised by a rancher.

Online Tips for Creating an Effective Poster

The National Association of Conservation Districts at www.nacdnet.org provides links to assist with creating posters. Click on the "Stewardship & Education" tab and find "Poster Contest" under "Contests" for an overview of the 2017 theme, for tips on what makes a good poster and for the National Visual Arts

NJ Soil Conservation Districts (SCD) are special purpose subdivisions of the State. In cooperation with the State Soil Conservation Committee, they are empowered to conserve and manage soil and water resources and address stormwater, soil erosion and sedimentation problems that result from land disturbance activities. There are 15 Soil Conservation Districts in New Jersey. (See back page for list.)

In response to growing public concern for water quality, NJ conservation districts have become the primary local governmental agencies responsible for monitoring nonpoint sources of pollution associated with agriculture, construction and mining. The technical services of the USDA — Natural Resources Conservation Service and other resource agencies are made available through the districts.

New Jersey Rules

These rules must be followed for your poster to be accepted by your local Soil Conservation District. Entries that do not conform to the rules will not be judged.

Please review and follow your local Soil District rules for the deadline!

1. Clearly print your name and information on the entry form **AND** tape the completed entry form to the back of your poster.
2. Tape a 1-3 sentence explanation of your poster, neatly written on a 3" x 5" or 4" x 6" index card, to the back of the poster. Be sure to write your name and county on the index card.
3. **Contest theme "Healthy Soils Are Full of Life" must appear somewhere in your poster.** Leave a 1 inch border of white space at the edges of the poster; lettering should not run on to the edges.
4. The poster must be flat, no 3-D objects.
5. Poster size must be between 8.5" x 11" and 22" x 28".
6. Any medium may be used including paint, crayons, colored pencils, charcoal and paper. Computer designed artwork is allowed but **clip art is not acceptable.** No collage or montage.
7. One poster per student.
8. The poster must be the original artwork of the student.
9. **ENTRY DEADLINE: See Local District Rules** →
10. Decisions of the judges are final and all entries become the property of the contest sponsors.

Poster Evaluations

Posters will be judged on the following criteria: Relevance to contest theme: **"Healthy Soils Are Full of Life"**

- Conservation message
- Visual effectiveness
- Originality
- Overall appeal

CASH PRIZES for the New Jersey Statewide competition are awarded by the:

New Jersey Association of Conservation Districts

First - \$200 Second - \$100 Third - \$50

Local District Rules & Prizes

Contact your local district to verify participation (Page 4)

1. The teacher of each class/group is responsible for selecting 2-3 winning posters per class. **Please do not send in posters from an entire class.** (If you teach multiple classes you may submit 2-3 posters from each class period.)
2. **Follow ALL the rules to the left. The contest theme "Healthy Soils Are Full of Life" must appear on the poster.**
3. An entry form should be taped to the back of **each poster** along with a brief explanation of the poster written on an index card (also taped to the back of the poster).

Ocean County Soil Conservation District will declare a First Place winner for each grade group. One Grand Champion Winner will be selected among the First Place winners. The Grand Champion will be awarded a \$50 cash prize, and a \$200 prize will be awarded to their school to support a school-based environmental project. All First Place winning entries are submitted to the Statewide Competition where they will compete for more cash prizes. Please visit www.soildistrict.org for details.

ENTRY DEADLINE (post-marked by): **March 9, 2017**

Mail or deliver entries to:
Ocean County Soil Conservation District
714 Lacey Road
Forked River, NJ 08731
